APU Type: Honeywell GTCP-36-150W

APU Status: (P905) TSN 2,309 hours Last Shop Visit: (first run)

CERTIFICATIONS:

RVSM	MNPS	FM Immunity	8.33 MHz Radio spacing
RNP-5	RNP-10	P-RNAV	Interior Fire Block

PASSENGER CABIN:

The 8-passenger interior is divided into two four-place seating groups: the forward section consists of four individual club chairs with side executive foldaway writing tables; the aft section consists of a side facing three-place divan opposite a single club chair. Other features: Center seat cushion of Divan folds out to table, optional under-seat stowage and drop down seat rests. All upholstery is leather with wool carpet and color coordinated sidewalls and trim with recessed lighting. The Lavatory has a belted seat allowing an extra passenger or Flight Attendant for a total of 9-passengers and 2-crew.

All bulkhead dividers, tables, window rails and galley area are finished in medium high-gloss medium wood veneer.

The forward galley features: microwave oven, coffee service, food service and ample dry, cold and ice storage for international flights.

Business and Entertainment amenities include: two 110VA/C power outlets; Airshow 410 Passenger Flight System with (2) 15" LCD monitors: one forward and one aft, monitor functions to display computer screen; (5) portable 14-inch LCD Sony DVD players. Life Raft (6-9 place) stowed in Aft Closet.
